the date!

DO YOUR PATIENTS HAVE AN ADVANCE DIRECTIVE?

Advance Care Planning – Process to refer your Patients for Advance Care Planning Facilitation

Hurley has been working with various health care institutions to improve the process for patients to complete advance care planning. All local health care institutions will be using the same form. Hurley has 13 trained Advance Care Planning Facilitators including all ACE nurses that are available to assist patients in completing the advance directive.

Following proper completion, the document will be uploaded to EPIC and to Great Lakes Health Connect electronic system. The patient will also be given acopy to share with their physician. A free informational meeting is available for patients on the 2nd Friday of the month from 1pm to 2pm at the Genesys Hurley Cancer Institute. Special pocket referral note pads have been made to give to your patients to attend a free presentation or arrange for an individual appointment.

Please contact Diane Welker, NP at 810.262.4919 for any of the following needs; all are available at no charge.

- Informational brochures for your office
- Advance Care Planning referral note pads
- Presentation for you or your office staff

Please Join Us in Welcoming Mattie Pearson, MSN, RN, as Service Line Administrator for Women’s and Children’s Services

Please join us as in welcoming Mattie Pearson, MSN, RN, as she begins her new role as Service Line Administrator for Women’s and Children’s Services, effective March 30, 2015, replacing Renay Gaglead. Mattie has been a member of the Hurley family since 1993, starting as a nurse extern on Pediatrics. After graduating from the Hurley School of Nursing, she worked as a Pediatric Nurse for over 10 years before becoming the Assistant Nurse Manager of Pediatrics. She earned her Master’s in Nursing Education from Walden University and was the Nurse Manager of the PEDS and the PICU departments for three and a half years here at Hurley Medical Center.

Please offer your support and congratulations to Mattie as she begins her new role at Hurley.

34th Annual Hurley Benefit Ball

Over 500 people came out to the Riverfront Banquet Center in Downtown Flint on Saturday March 7th for the 34th Annual Hurley Benefit Ball, hosted by the Hurley Foundation. All proceeds will benefit a major Pediatric Department project, eventually allowing every Pediatric patient to have a private room. The ball, with the theme “Under the Stars” was an elegant night of fine dining, entertainment, silent auction, and of course dancing. The two ball ambassadors were in attendance. 18 year old Jakeya Thornton, who has been coming to Hurley for over a decade as she works to manage her Type 1 Diabetes, and Ashley Liddell, whose 2 year old daughter Clarissa, aka “Baby Rosie” was admitted last year for a serious bout with Pneumonia. Thank you to all the volunteers and staff who made the ball such a success! If you would like to make a donation, you still can. Call 810-262-9399 or hpsnar1@hurleymc.com.

The ball garnered a lot of media coverage. Many outlets wrote up stories to preview the ball.

On the night of the ball ABC12 interviewed Renay Gaglead, Hurley Ball Co-Chair, and Administrator of Women and Children’s Services, LIVE during the 6pm news. They also spoke with Hurley Foundation President Rick Warmbold and Hurley Ball Co-Chair Jacquinne Reynolds to use for a story during their 11pm news. Also coming out to cover the ball, the Flint Journal/MLive, NBC25, My City Magazine and On the Town Magazine.

Hurley in the News ...

February 25th - March 13th, 2015

Hurley's Wellness Services makes Headlines

ABC12 featured a story about Hurley's Wellness programs for Employees, talking to Alisa Craig, Director of Wellness Services at Hurley, Kelley Fellows Employee Wellness Coordinator, along with Employees John Love and Nicholas Lecea, who use the fitness rooms. From weight loss classes, nutrition advice and our two employee "stress buster" fitness rooms, Hurley offers many resources to keep those who work here healthy. The Fitness Rooms, located on 6 West and in the School of Nursing, are available 24/7

Tumblethon Raises Money for Hurley Children's Hospital

At Grand Blanc Gymnastics hundreds of gymnasts showed off their skills in a Tumble-thon - all for Children's Miracle Network Hospitals at Hurley Children's Hospital. Kids of all ages - from toddlers to high school age - performed forward rolls and cartwheels. People made donations per gymnastic activity. The gymnasts were featured on ABC12 News at 5 as the Good Kids of the week.

Hurley's Bariatric Seminar

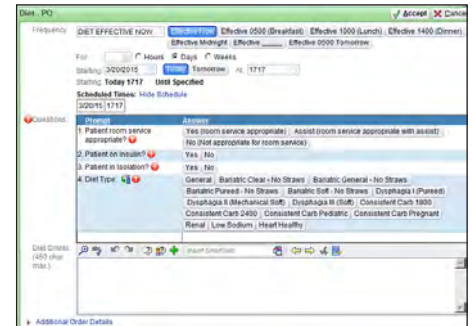

On March 5th, Hurley hosted a Free Bariatric Seminar at the Lapeer Country Club in Lapeer. Dozens came out to hear Dr. Jamal D. Farhan speak about minimally invasive Weight Loss Surgery options and he answered the audience's questions. John Stewart BSN, MSA, Administrator, Emergent Services, Trauma, Bariatrics, & Hernia spoke to Carl in the Morning on 103.1 FM to preview the event. Stewart also was interviewed LIVE with CARS 108 in the afternoon before the event.

Free Pancake Day

Tuesday, March 3rd was IHOP's National Pancake Day to help the kids at Hurley Children's Hospital! People enjoyed free pancakes and made donations at the Saginaw and the Mt. Pleasant IHOPs. ABC12's Marc Jacobson did several LIVE hits during ABC12 News this Morning with Miracle kid Isaiah Struck. ABC12 also did stories about the event later in the day. WNEM TV 5 also covered the event.

EPIC Update – "At Your Request" – New Dietary Endeavor for Hurley Medical Center Coming for all Patients

At the end of April, patients will be able to order their meals by phone – Room Service! Use of this program will cause the diet orders in EPIC to change. Please see below for an example. Populating mandatory fields within the order allows required information to flow to the Healthtouch dietary system.

Physicians - You are the Patient's Experience!

THE VOICE OF THE PATIENT

Thanks to ...

..."Dr. Moreno for doing a great job on my surgery. I was treated very well by the staff. The nurses were very nice and very great at responding to me and they treated my family great as well. I just wanted to thank everyone that took care of me on that day."

..."Dr. Sidney Martin was absolutely wonderful."

..."His name is Dr. Jondy and he saved my fingers and, well, I just retired from construction and my hands are my money maker and he saved them, so, I'm happy."

..."I want to thank Dr. Mattie Scott for taking care of me as well as she did. She definitely went beyond my expectations and she really cared about me as her patient and as a person."

..."I would like to thank Dr. [Saqib] Ahmad for delivering our baby at Hurley Medical Center. He was very pleasant, concerned and helpful in all of the situations. So, thank you Dr. Ahmad."

..."I would like to thank Dr. Kenneth Wilson... He was very thorough and very compassionate and had great bedside manner."

..."My gynecologist, Dr. Moreno, he was very knowledgeable and helpful and made me feel really comfortable."

Gynecologic Oncology Surgical Services

Hurley Medical Center is proud to offer more Gynecological Oncology diagnostic options, new advanced surgeries and treatments, plus new management options, all with compassion and care.

Advanced Treatments & Procedures:

- Offer new advanced treatments for tumors of the uterus, cervix, ovaries, fallopian tubes, vagina and vulva.
- Specialize in Laparoscopic and robotic surgeries.
- Highly-skilled team acts as your health navigator for every step of your care.
- Board Certified Surgeons, affiliated with Henry Ford Health System

The office is located within Hurley Medical Center on the 9th Floor, in the Women's Services Clinic. To schedule an appointment, or if you have questions, please call 810.262.9000. Appointments are available on the 3rd Wednesday of each month.

Clinical Documentation Tip of the Month

New and Improved process for answering queries using 'shared notes' in Epic

Physician queries are important in helping to fill the void in charting. The clinical documentation specialist-RN is your resource to identify the void and assist you with providing language to fill the void. The purpose of the query is to ensure the most accurate clinical picture is represented in the form of ICD-9-CM codes.

The new query will be a permanent part of the record and will be treated as a shared note. The documentation specialist will provide the clinical indicators along with a smart text option with a number of diagnoses related to the data; there will be a free text option available if none of the provided diagnoses are suitable. Remember to sign, not share the note after a diagnosis is provided. These shared notes will be located within your inbox for ease of access. Open your inbox, find the shared note, click edit, then complete and sign the note.

For questions/comments contact the clinical documentation improvement department at extensions: 26477, 22407, and 22408.

ADVANCE CARE PLANNING

Free Informational Presentations

Making a plan for your future medical care is crucial. Your family and doctors need to know how to best care for you if you're too sick to tell them.

Patients with an Advance Care Plan:

- Have less fear & anxiety
- Feel they influence & direct their medical care more
- Believe physicians understand their wishes better
- Have a greater understanding & comfort level than before

Register for an ACP group presentation or individual appointment.

RSVP: 810.762.8288

WHEN: Every Second Friday of the Month
1:00–2:00 pm

WHERE: Genesys Hurley Cancer Institute
302 Kensington Avenue
Flint, MI 48503

A facilitator will be available if you wish to complete your advance care plan at that time.

HURLEY CAMP MOVE IT

Enjoy the full Camp Copneconic experience while gaining skills to help achieve a healthy lifestyle and weight with **CAMP MOVE IT!**

The YMCA and Hurley Wellness Services have partnered to bring fun, interactive, and educational activities for kids 7–12 years old, that will help them build healthy habits for life and reduce health risks associated with being overweight.

CAMP MOVE IT is an overnight camp, July 26–31, 2015. Campers will be introduced to various healthy lifestyle practices, such as fit and fun "MOVE IT" games and nutritious eating activities while enjoying the atmosphere and activities of camp. Help your child grow with the tools they need to live a life of wellness!

Camp normally costs over \$500 per child, but Hurley Medical Center has special funding to provide financial assistance to help several families pay only a small fee (\$50 or less, depending on the financial hardship of the family). Don't wait—these scholarships will go quick! Please email or call Hurley Community Wellness Manager, Danielle Campbell at dcampbe2@hurleymc.com or 810.262.7898.

Transportation by bus can also be arranged for the whole family from the Downtown Flint YMCA location on drop-off and pick-up dates (July 26 and 31).

REGISTER NOW, SPOTS ARE LIMITED!
