

How to schedule a new patient appointment with a provider

- 1 Choose the appropriate specialty.

Find a Doctor

Choose a specialty to start looking for providers.

→
Adolescent Medicine

→
Family Medicine

→
General Internal Medicine

→
Pediatric Medicine

- 2 Choose “New Patient Visit”

What kind of appointment are you looking for?

 New Patient Visit →

- 3 If there is more than one clinic available, you will have the option to choose which location you’d like to schedule with. If you have no preference, choose “any location” to see all open availability.

Which locations work for you?

☐ Any location
Schedule at any available location.

☐ Hurley Adult Internal Medicine
Two Hurley Plaza
Suite 110
Flint MI 48503

☐ Hurley Medical Specialty Care Clinic - Internal Medicine
Two Hurley Plaza
Suite 109
Flint MI 48503

Continue

- 4 Select a time for your New Patient Appointment: From this screen you can select a provider and appointment time. You also have the option to filter by day of the week, AM/PM and provider gender.
