#### Visit Instructions

You will receive a text shortly to complete your registration. Please make sure you have completed this prior to your visit.

You must check in when you arrive to let the clinic know you are present or it will be assumed you are a no-show and your appointment will be canceled.

Please note: While we will make every effort to see you as quickly as possible, there may be some associated wait times.

Be sure to read the visit instructions listed in the confirmation message prior to logging out of MyChart.

Shortly after scheduling you will receive a message to complete pre-registration for your visit. Please complete this prior to arrival as it helps reduce your time at the front desk.
